

This is how to make 5 with biscuits:

All the ingredients you need is:

- Plain flour (175g / 125g - 1)
- Butter (125g / 75g - 1)
- Sugar 150g / 150g - 1
- A little lemon juice
- Caster powder (2 tablespoons - 1)
- 1 egg yolk -

How to bake it? Here's how:

First sift the flour into the bowl. Afterwards add some butter and then mix it. Then add sugar, lemon juice and caster. After that you need to bind it into firm dough. Then when you need to do now is repeat that but with the cream. After roll it into 2 layers. Then you have need to place it on top of each other. In addition, you have roll it to make a circle roll. Then simply just cut it into slices. Next place slices onto greased baking tray. Finally all you need to do now is cook it at 180°C for about 10 minutes then you're got yourself biscuits.
