Locks Heath Junior School offers a full programme of extra-curricular activities at lunchtime and after school to further enhance your child's school life. There are a wide variety of activities on offer to develop children's skills, talents and hobbies.

As well as being lots of fun, these clubs will also give the children the opportunity to develop their social skills, participating in a club with others from across the school.

Browse this booklet to see the clubs on offer throughout the school year.

Each term the office will email when the clubs are available on Arbor.

The clubs are run on a first come, first served basis and payment is required to secure your child a place on the club.

Unless otherwise stated, clubs are open to children in Years 3 through to 6. In the Autumn term, priority will be given to our new Year 3 children

Some after-school clubs provided by the school require payment to cover the cost of staffing and equipment to enrich the activities on offer. The payment equates to between £5.50—£6.50 for an hour and a half of activity—we see this as very good value for money. Details of any payment required is listed as well as the dates each club runs.

We are extremely proud of the commitment our staff have to running after school sporting and music clubs.

Class teachers will be sharing information about their clubs during year group assemblies and will inform children about the process for signing-up to their club.

These clubs do not incur a fee, but do require your child to make a commitment to attend regularly and be available to represent the school in competitions and performances.
